Users not authorized and nor should they rely on the **Website or any applications** for any legal advice, business advice, or advice of any kind. Users should act at their own risk in reliance on the contents of the **Website or any applications**.

Important Guidelines for Users about DAPP

1. The user should carefully review the smart contracts, website content, terms & privacy policies of platforms within 1DApp to familiarize as the users are responsible for their exchange of services..
2. The User should confirm that the decision for participating in prediction or events, claiming or undertaking any transaction on the 1DAAP is taken with complete knowledge & ownership is with the user itself.
3. 1DAAP does not give any guaranteed returns in FIAT or crypto. Please read the 1DAAP platforms website content & smart contracts and do your research before proceeding.
4. The User should understand and accept complete responsibility & liability for any damages or losses, however, caused, in connection with 1DAAP, use of, or on the reliance of DApp.
5. Era Swap Foundation OU doesn't guarantee any Fiat or Crypto because Era Swap doesn't control any Fiat or any other cryptocurrency. Era Swap token (ES) can only be used in the Eco System. ES cannot be used outside the Era swap Ecosystem.
6. Phishing websites often go hand-in-hand with phishing emails. Phishing emails can link to a replica website or mobile application designed to steal login credentials or prompt one to install malware.

Do not install software or log in to a website unless you are 100% sure it isn't a fake one. Phishing websites may also appear as sponsored results on search engines or in-app marketplaces used by mobile devices. Be wary that you aren't downloading a fake app or clicking a sponsored link to a fake website. It is completely on User's risk and the user is only liable for any such activity.

The creators of 1DAAPDApp have the right to upgrade the software as per requirement time to time, enhance the features for better users experience, bring in better suitable and innovative Technology and Blockchain versions, perform changes and improvisation in case of unforeseen technology glitch
